

Our Under Sink Chiller is available with
a Stylish Chrome Designer Tap

UC800C Under Sink Chiller

Under-sink Cooler with attractive chrome facet. Compressor cooled and fan assisted. 2°C to 12°C adjustable cold water thermostat. An under sink chiller supplies large quantities of cold water on demand while remaining out of sight hidden away from the eye. Ideal for environments in need of a compact water dispenser. Hide the unit under counter and enjoy chilled water on demand.
