

Water Cooler Accessories

Wall Fixings & Conversion Kits

Fixing your cooler to the wall & floor

Cowling for 3300, 4400 Arctic Star and Arctic Chill Floor standing water coolers (Cowling334488) for sites that require water coolers to be fixed to the wall/floor (A requirement of BREEAM) For water Fountains a separate cowling is available (CA61).

Stainless Steel Wall Bracket (BRACKET) to fit all Water Coolers and Fountains allows you to fix Water Coolers/Fountains to the wall.

Cooler Cowling (COWLING334488)

Fountain Cowling (CA61)

Wall Bracket (BRACKET)

POU to Bottled Conversion Kits

By exchanging the top panel of the Cooler you can convert a Bottled Cooler to a POU Cooler or vice versa.

The CONKIT3300 Conversion Kit converts Bottled Coolers to POU for the 3300/4400/4400FZ2/ArcticStar 55 whilst the UPCONKIT1100P is for the Jazz1100.

Conversion Kit (CONKIT3300X)

Jazz Conversion (UPCONKIT1100P)

Over 170,000 Water Coolers sold tells the story of our success.....
