POU CONVERSION INSTRUCTIONS

(WCBCM1 & WCBHM1)

POU CONVERSION INSTRUCTIONS

- Remove the two screws found at the back of the lid.
- Remove the lid and set it to one side.
- Follow the instructions below.

1. Remove the blue pipe from the tank lid connection.

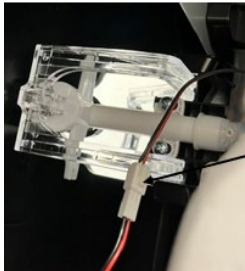

2. Disconnect the red pipe from the bottle pump.

3. Connect the red pipe from the pump to the tank lid connection.

4. Disengage the pump power connection.

5. Disconnect the pipe from the bottle siphon pipe and connect to the outflow of your water filter.
