

Hi Class

A Modern Classic

Sleek, contemporary design tabletop water cooler ideal for compact spaces. Dispensing 30ltrs/h of chilled and sparkling water and has the capacity to meet higher demand. The patent black body adds a flare of style whilst making it easy to maintain and clean. Featuring an LED strip light down the front and push button operation this cooler is both stylish and easy to use.

- 30cm dispense height
- Dispenses ambient, 30ltrs/h chilled, and 30ltrs/h sparkling water
- Solenoid dispensing can be upgraded to contactless
- Direct chill cooler compatible with Klaran UVC purification device
- Futuristic design with LED striplight design
- Sturdy build featuring an integrated drip tray

Accessories

Installation Rail & Filter

Includes compression fitting, 1-micron green filter, water block, copper pressure reducing valve & non-return valve.

Klaran UVC LED

Protects direct chill water coolers from bacteria, viruses & other pathogens providing point of dispense protection. Available as factory fitted or for self installation.

Contactless

Upgrade this cooler by adding contactless dispensing. Helps avoid the risk of contact contamination and enhances your customers hydration experience.

Gas & Regulators

Carbonated coolers require a gas regulator to connect the CO² cylinder. Our REGCO2 gas regulator is suitable for 600gm disposable CO² cylinders.
