- 30cm dispense height
- Dispenses ambient, 30ltrs/h chilled & 30ltrs/h sparkling
- Solenoid dispensing can be upgraded to contactless
- Futuristic design with LED striplight
- Sturdy build featuring an integrated drip tray

## Accessories

### Installation Rail & Filter

Includes compression fitting, 1-micron green filter, water block, copper pressure reducing valve & non-return valve.

### Klaran UVC LED

Protects direct chill water coolers from bacteria, viruses & other pathogens providing point of dispense protection. Available as factory fitted or for self installation.

### Contactless

Upgrade this cooler by adding contactless dispensing. Helps avoid the risk of contact contamination and enhances your customers hydration experience.

### Base Cabinet

Floor standing base cabinet to easily convert this tabletop cooler to a floor standing unit. Features an integrated cup dispenser and a cabinet door for additional storage.

### Gas & Regulator

Carbonated coolers require a gas regulator to connect the CO<sub>2</sub> cylinder. Our REGCO<sub>2</sub> gas regulator is suitable for 600gm disposable CO<sub>2</sub> cylinders.
